In order to secure the future of the little stars above, who may one day stride out onto the surface of the Aviva Stadium in the colours of Ireland, we are asking all parents of children in the club, along with all the senior players, coaches, managers and committee members, to sell at least 2 tickets each year, in order to make this ambitious fundraiser profitable for St. Anthony's and ensure the continued running of the club.

If we don't get the support of all members of the club, we will have no alternative but to increase the level of registration fees across all ages to fund the running of the club.

I have no doubt that this attractive incentive will appeal to everyone and we will get the support of all members and the community to ensure that this venture will be a success.

Looking To The Future

Thanks to the hand of Thierry Henry, the Irish football team will not be competing in this summer's World Cup Finals in South Africa.

However, the future for Irish football has never looked better, both on and off the field, and, with your help, St Anthony's want to be part of that future success.

Inside you will find details of an ambitious fundraising incentive that we have entered into with the Football Association of Ireland, which will benefit the future success of the club.

A member of the committee, along with your child's manager, will be calling on you shortly to canvas your support.

The Future of Irish Football...The Future of St Anthony's

In order to ensure the success of the club over the next 10 years the club have signed up with the FAI to purchase 2 premium seats in the new Aviva Stadium over a 10 year period. This means we will have access to all senior internationals which include the following tournaments.

Once the stadium is opened, we are guaranteed to have up to 9 events in the stadium over the calendar year. The stadium has also been awarded the 2011 Europa League Cup Final. Once we have the calendar of matches for the year, we will be holding a draw every few weeks, with the winner winning 2 premium seat tickets for that event. The total cost of each ticket will be €20 and you will be included in every draw, over the calendar year, for the €20.
